Account Manager Opportunities

Sales Positions Now Available In Your Area For On-Line Business-To-Business Commercial Credit Reporting Information

We are currently expanding our national sales team. We are actively searching for Account Managers that desire the opportunity to set their own schedules and earning potential. Our product is sold to businesses only, no consumer sales are required.

Both full and part time opportunities are available. Part time opportunities are perfect for college students both during the school year or summer / school holidays as you are not limited to a geographical boundary.

Our Account Managers enjoy rewarding careers because we offer:

1. Focus on only selling and closing
2. Schedules are set by you, the Account Manager, not corporate management. Work when you want and where you want.
3. Unlimited earning potential – there are no salary caps
4. Commission based earning

You receive **\$380.00** for each sale
during our current promotion

5. Residual income on several of our future planned programs
